Dora the Explorer

Journey to the Purple Planet

Precautions

• This disc contains software for the PlayStation®2 computer entertainment system. Never use this disc on any other system, as it could damage it. • This disc conforms to PlayStation®2 specifications for the PAL market only. It cannot be used on other specification versions of PlayStation®2. • Read the PlayStation®2 Instruction Manual carefully to ensure correct usage. • When inserting this disc in the PlayStation®2 always place it with the required playback side facing down. • When handling the disc, do not touch the surface. Hold it by the edge. • Keep the disc clean and free of scratches. Should the surface become dirty, wipe it gently with a soft dry cloth. • Do not leave the disc near heat sources or in direct sunlight or excessive moisture. • Do not use an irregularly shaped disc, a cracked or warped disc, or one that has been repaired with adhesives, as it could lead to malfunction.

Health Warning

For your health, be sure to take a break of about 15 minutes during every hour of play. Avoid playing when tired or suffering from lack of sleep. Always play in a well-lit room, sitting as far from the screen as the cord will allow. Some people experience epileptic seizures when viewing flashing lights or patterns in our daily environment. These people may experience seizures while watching TV pictures or playing video games. Even players who have never had any seizures may nonetheless have an undetected epileptic condition. Consult your doctor before playing video games if you have an epileptic condition or immediately should you experience any of the following symptoms during play: dizziness, altered vision, muscle twitching, other involuntary movements, loss of awareness of your surroundings, mental confusion, and / or convulsions.

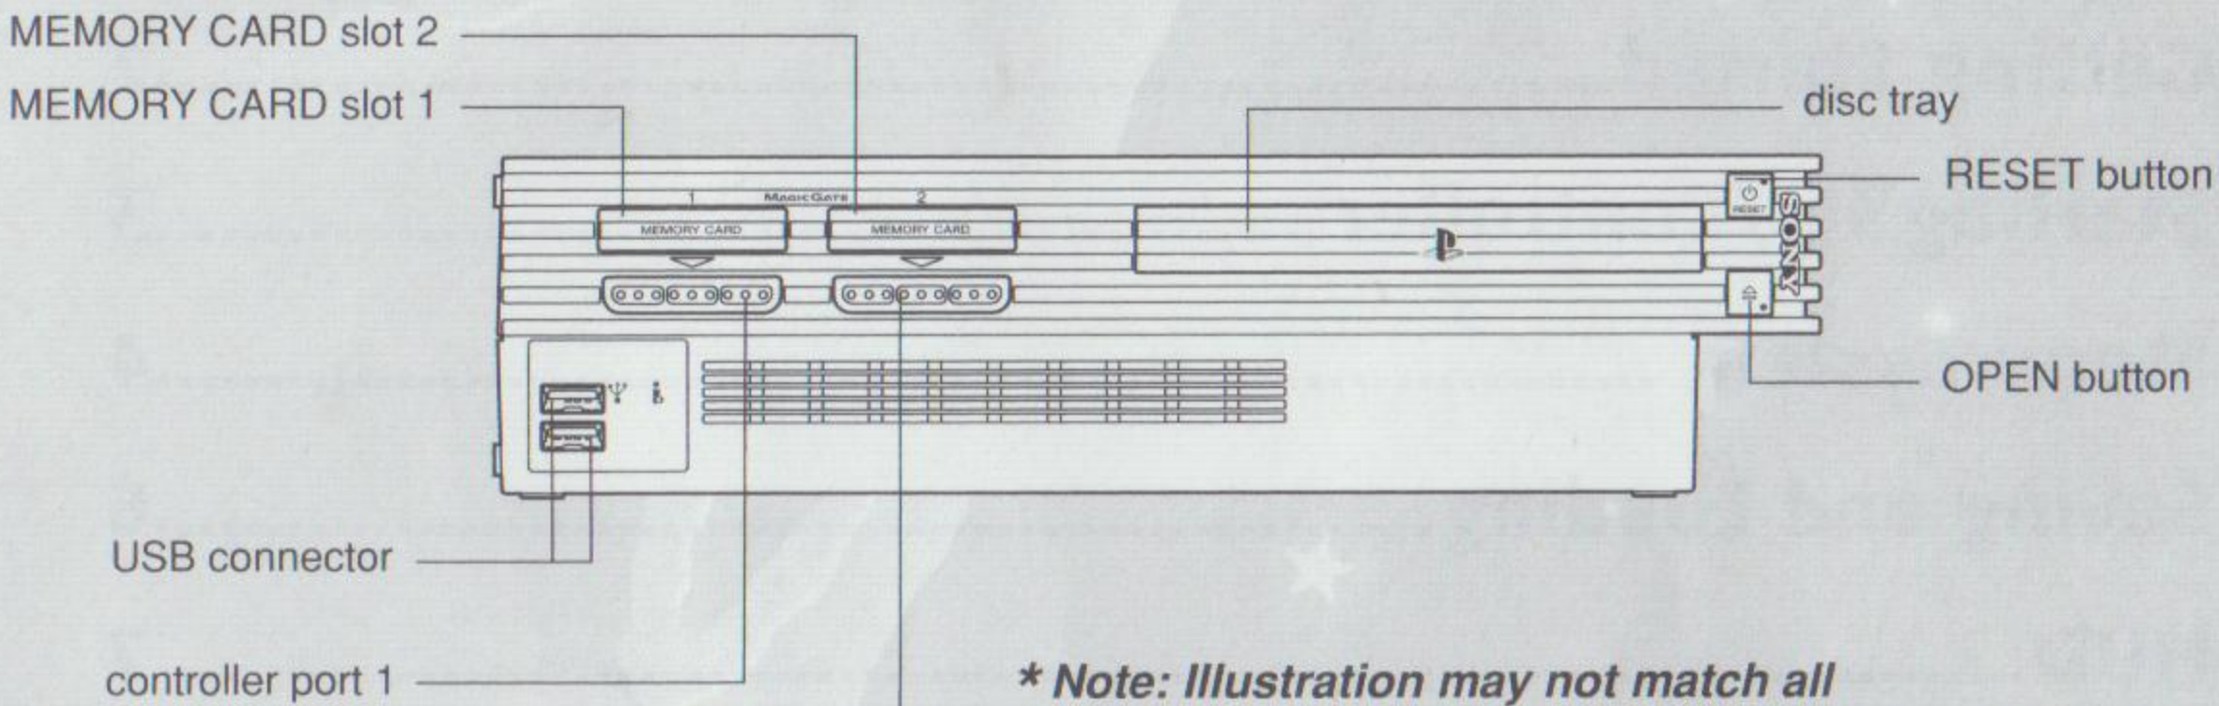
Getting Started



** Note: Illustration may not match all PlayStation®2 console types. For owners of SCPH-70000 series PlayStation®2 systems, refer to the setup instructions supplied with your system.*

Set up your PlayStation®2 computer entertainment system according to the instructions in its Instruction Manual. Make sure the MAIN POWER switch (located on the back of the console) is turned ON. Press the ⏻/RESET button. When the power indicator lights up, press the ⏏ button and the display will open. Place the DORA - JOURNEY TO THE PURPLE PLANET disc on the disc tray with the label side facing up. Press the ⏏ button again and the disc tray will close. Attach game controllers and other accessories, as appropriate. Follow on-screen instructions and refer to this manual for information on using the software.
This title supports English and French languages. It is advised you select your preferred language within the system configuration before commencing the game.

Memory Card (8MB)(for PlayStation®2)

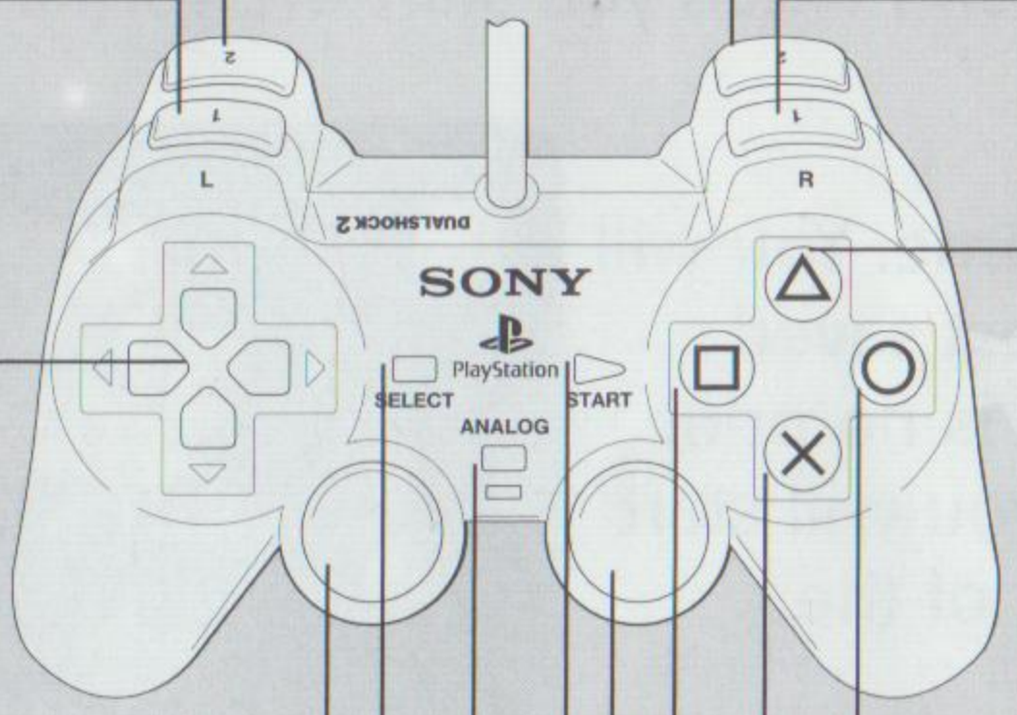
To save game settings and progress, insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1 of your system. You can load saved game data from the same memory card (8MB)(for PlayStation®2) or any memory card (8MB)(for PlayStation®2) containing previously saved games.

It is advised that you do not insert or remove accessories once the power is on.
Make sure there is enough free space on your memory card (8MB) (for PlayStation®2) before commencing play.
This title autoloads data on boot up.

Starting Up

ANALOG CONTROLLER (DUALSHOCK®2) CONFIGURATIONS

The digital controller and the analog controller (DUALSHOCK®) are not supported.



Menu Controls

START button	Start / Pause / Return to game

Menu System

The following menus will help you navigate around the game:

Main Menu

You'll see this menu when you start the game.

Start

This starts the game. You will start with your last saved location. If there is no prior saved location, you will start at the beginning of the game.

Load Game

This is where you can select a different profile. If more than one child is playing the game, please make sure that each child selects his own profile so each child's progress will be saved.

Planets

As you reach planets, they will become unlocked. You can select this option to go directly to any unlocked planet and play it again.

Options

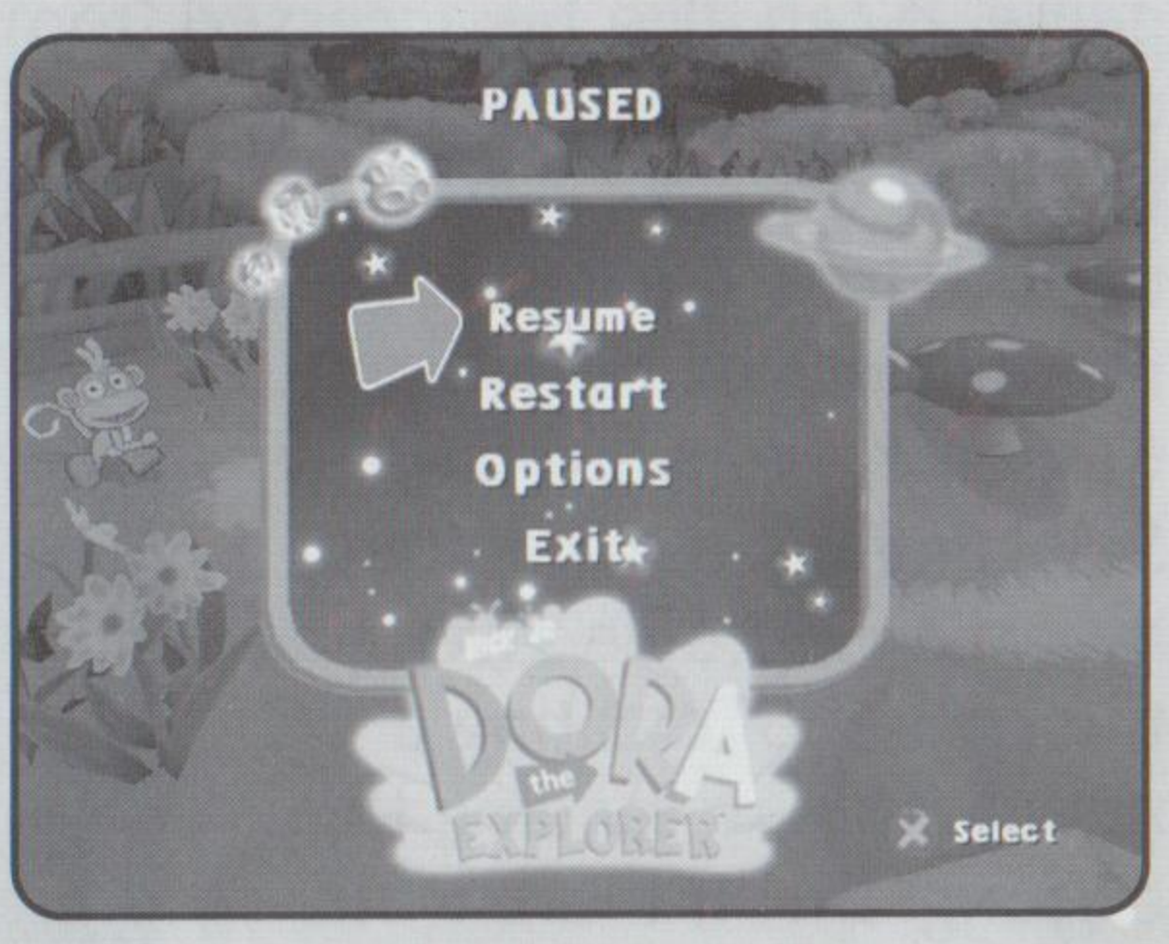
Select this option to set various game settings.

Credits

This will list all of the people that created the game.

Pause Menu

When playing the game, you can press the START button at any time to bring up the Pause Menu and pause the game.



Resume
Resume the game where you left off.

Restart
Restart the game from the beginning of the location.

Options
Opens the options menu to adjust various game options.

Exit
Exit back to Main Menu.

Options Menu

Music
Adjusts the music volume.

Effects
Adjusts the sound effects volume.

Subtitles
Turn the subtitle text on and off.

Select Profile Menu

The Select Profile Menu is accessed automatically on start of the game. It can also be accessed from the Main Menu. Once here, use the directional buttons to select the profile you wish to load. Selecting an empty slot will require you to create a new profile. Selecting a slot containing an existing profile gives you the option of creating a new profile or loading the existing one. If there is no memory card (8MB)(for PlayStation®2) installed containing Dora game data, you will be asked to insert a memory card (8MB)(for PlayStation®2) into MEMORY CARD slot 1.

Saving and Loading

Saving

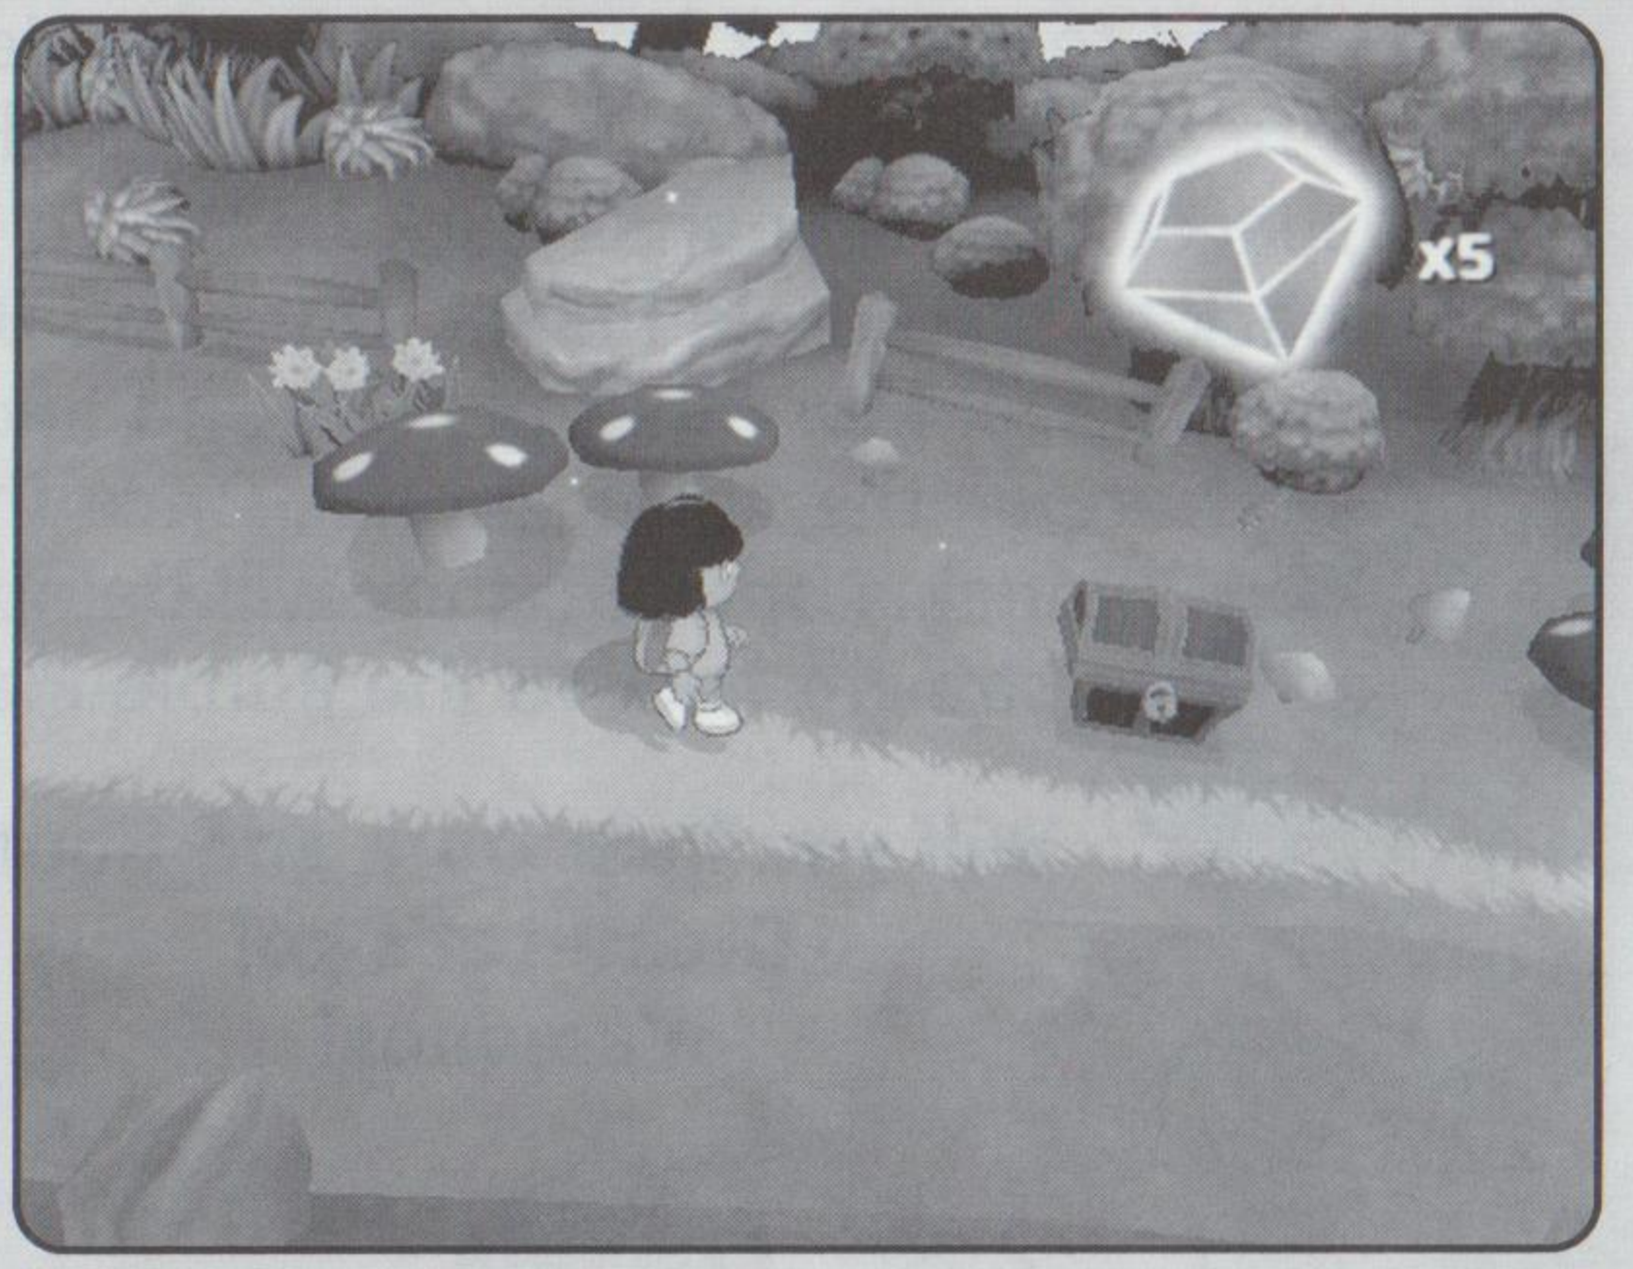
At the end of each level, the game will ask if you wish to save the game. This feature will require a memory card (8MB)(for PlayStation®2). More information about the memory card (8MB)(for PlayStation®2) can be found in the memory card section at the beginning of this manual (page 2).

Loading

The Load Game Menu can be accessed from the Main Menu. Once here, use the Directional Buttons to select the MEMORY CARD slot that holds the memory card (8MB)(for PlayStation®2) where you saved your game.

Heads Up Display (HUD)

The HUD displays important information about your current status in the game.



Gem Collection

When you collect a gem, the total number of gems that you have collected will appear in the upper right hand corner of the screen.

Mission Icons

Sometimes when Dora is on a mission, icons will appear in the upper left hand corner of the screen. These icons will first appear in a grayed out state but as Dora advances in her mission, these icons will fill in. Once Dora has all of the icons filled in, she will have completed her mission.

Mission

Flinky, Plinky, Inky, Dinky and Al are friendly space creatures who have landed on Earth. However, they need Dora's help! Their space ship has broken down and they need to get back home, to the Purple Planet. Dora and Boots need your help to lead their new space creature friends back home. To get them back to the Purple Planet, Dora and Boots will have to visit four other planets and find the keys to open the Space Tunnel. Once the Space Tunnel is opened, they will be able to fly straight back to the Purple Planet.

Will you help Dora and Boots?
Great! Let's go!
¡Vámonos!

Yellow Planet

Explore giant bubbles with Dora and Boots on Yellow Planet as they search for the Yellow Key!

Red Planet

Ride the conveyor belts on this high-tech planet as you help Dora and Boots find the Red Key!

Planets

Earth

Help Dora and Boots find Isa and borrow her Rocket Ship.

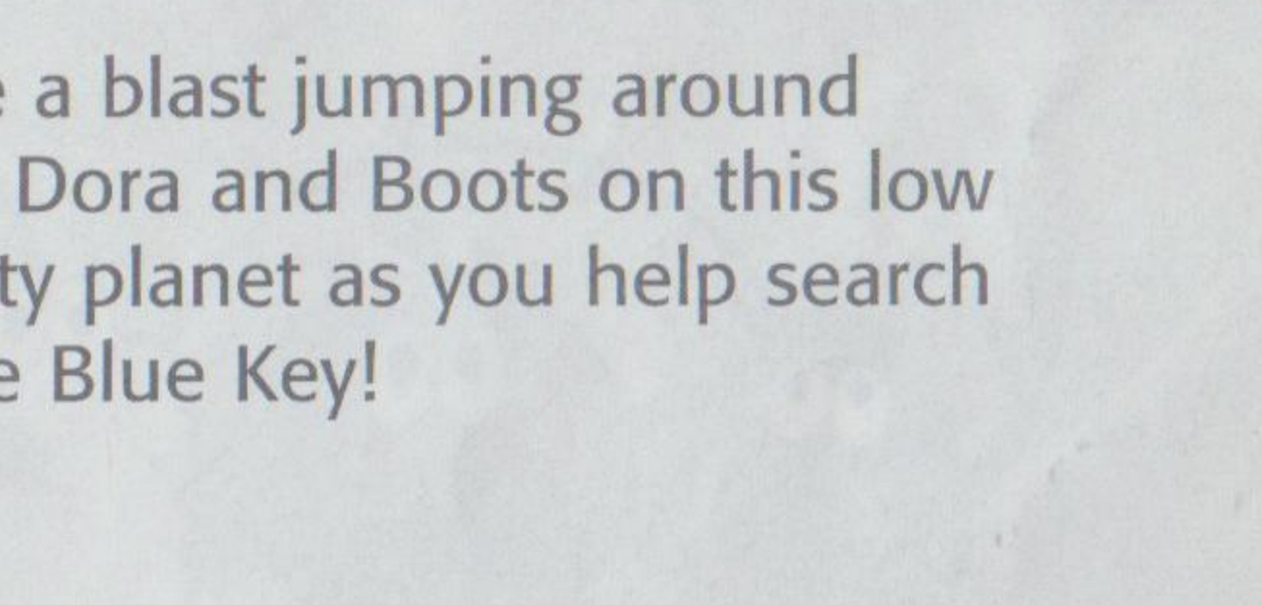
Green Planet

Join Dora and Boots as they slide around on this slippery planet in search of the Green Key!

Blue Planet

Have a blast jumping around with Dora and Boots on this low gravity planet as you help search for the Blue Key!

Purple Planet



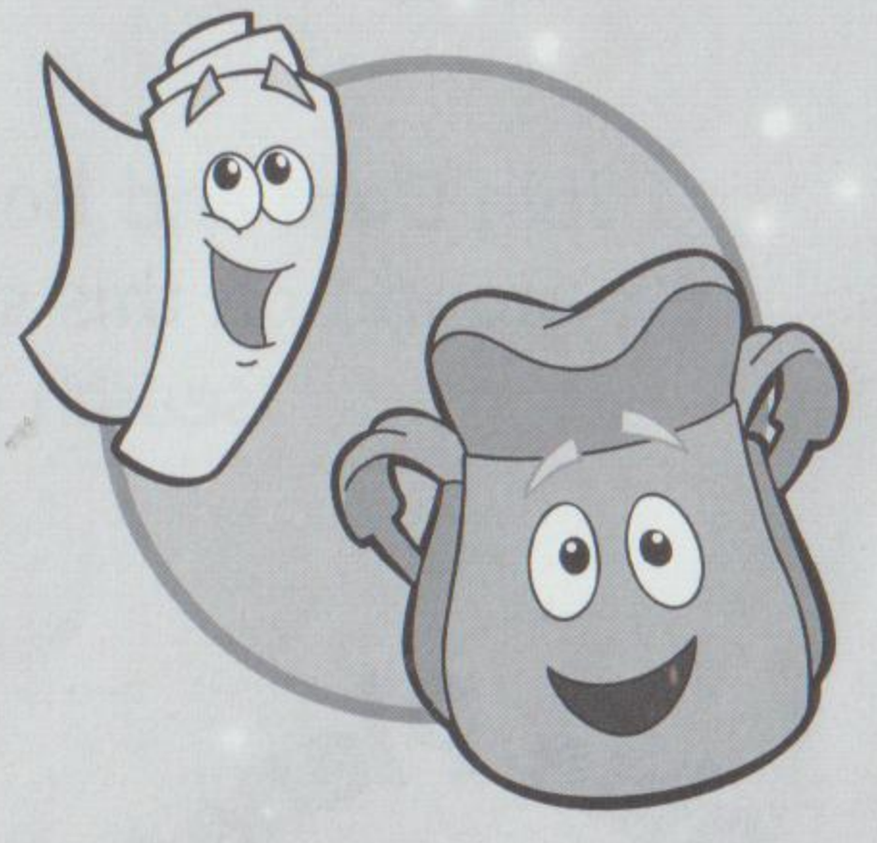
Hooray!
We did it! ¡Lo hicimos! We helped our space creature friends return home to the Purple Planet!

Characters

Dora
One brave explorer, ready for adventure!

Boots
Dora's best friend and helper!

Map
Map will tell you which way to go!



Backpack
Backpack always has what you need for your adventure!

Flinky, Plinky, Inky, Dinky and Al
They are your space creature friends! And they need your help!

WARRANTY

Take-Two Interactive Software warrants to the purchaser only that the disc provided with this manual and the software program coded on it will perform in accordance with the description in this manual when used with the specified equipment, for a period of 90 days from the date of purchase.

Take-Two Interactive warrants that the original media holding the product is free from defects in materials and workmanship under normal use and service for a period of ninety (90) days from the date of purchase, as evidenced by a dated proof of purchase. If the media is found to be defective, you may return the product and all accompanying materials to the place you obtained it for a replacement or refund. This limited warranty does not apply of you have damaged the media by accident or abuse.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESSED OR IMPLIED. ALL IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, IF APPLICABLE ARE LIMITED IN DURATION TO 90 DAYS FROM THE DATE OF PURCHASE OF THIS PRODUCT.

Take-Two shall not be liable for incidental and/or consequential damages for the breach of any express or implied warranty including damage to property and, to the extent permitted by the law, damages for personal injury, even if Take-Two has been advised of the possibility of such damages. Some jurisdictions do not allow the exclusion or limitation of any incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

This warranty shall not be applicable to the extent that any provision of this warranty is prohibited by any national or European law, which cannot be pre-empted. This warranty gives you specific legal rights and you may also have other rights, which may vary from jurisdiction to jurisdiction.

You may not reproduce, prepare derivative works based on, distribute copies of, offer for sale, sell, transfer ownership of, rent, lease, or lend to others the Program or accompanying documentation, or any portion or component of the Program or accompanying documentation; provided, however, that you may transfer the entire Program and accompanying documentation on a permanent basis as long as you retain no copies (including archival or backup copies) of the Program, accompanying documentation, or any portion or component of the Program or accompanying documentation, and the recipient agrees to the terms of the Agreement. Further, you may not modify, reverse engineer, disassemble, decompile or translate the Program or accompanying documentation, or any portion or component of the Program or accompanying documentation, nor may you make any copies of the Program modules for use with other programs. This program is intended for private use only.
